The Beginning

No One's P.O.V

**** FlashBack ****

Five Cookie's could be Seen Standing in a Throne Room Together.

Four of the Cookie's had Looked Calm as the Other Cookie had Looked Confused.

The First Cookie had Long Black Hair that had a Long White Stripe in it along with Purple Eye's.

The Second Cookie had Magenta Hair Tied Up into Bun's along with Magenta Eye's.

The Third Cookie had Short Blonde Hair along with Golden Eye's.

The Fourth Cookie had Long White Hair in a Long Down PonyTail along with Red Eye's.

The Fifth Cookie had Short Blonde Hair along with One Golden Eye with One Ocean Blue Eye who was Currently Confused on what was Happening.

" Pure Vanilla, All Four of us are here to Tell you that we have Decided to No Longer be your Friend or an Ally of your Kingdom. "

A Cookie that had Magenta Hair Tied Up into Bun's along with Magenta Eye's had said Calmly as a Cookie that had Short Blond Hair along with One Golden Eye with One Ocean Blue Eye who Goes by the Name of Pure Vanilla had Looked Shocked at what the Other Cookie had said to him.

" What?! Why?! "

Pure Vanilla had Asked in Confusion as the Cookie that had Short

Blondish Hair along with Golden Eye's had Sighed in Response.

" Because you're to Kind for your Own Good! Your Kindness could Get All of us Killed! "

The Cookie that had Short Blonde Hair along with Golden Eye's had Yelled at Pure Vanilla in Anger as Pure Vanilla's Eye's had Widened in Shock.

This is why They're Not Wanting to be his Friend AnyMore?!

All because of his Kindness?!

What Kind of BullShit is this?!

The Four Cookie's had just Glared at him as Pure Vanilla had Looked Down in a Daze.

He couldn't Believe it.

His Friend's were No Longer Wanting to be his Friend just because of his Kindness?!

It doesn't Make Any Sense at All!

Pure Vanilla had Felt Tear's Pour Out of his Eye's at the Sudden Situation.

" GoodBye, Pure Vanilla....."

The Cookie that had Long White Hair Tied into a Long Down PonyTail along with Red Eye's had said Coldly and Harshly as the Four Cookie's had Left the Throne Room.

Pure Vanilla had Instantly Felt Something inside of him Snap as he Suddenly Felt All of his Sadness immediately Disappear in Less than a Few Minute's.

" Dark Cacao, White Lily, HollyBerry, Golden Cheese....."

Pure Vanilla had said in a MonoTone Voice as he had Lifted his Head Up, his Tear's Now Dried Up.

The Once Golden and Ocean Blue Eye's that Shined Like the Sun were Now Dull as if Something Drained All Life Force inside of him.

Pure Vanilla had Simply Wiped the Tear's Away as he had Looked at the Door where his Now Ex-Friend's, No, Enemies, had just Left from.

" All this Time, I've been so Blind....."

Pure Vanilla had said Coldly as he had Remembered All of the Memories that he had with his Enemies Back in the Academy that They were Studying at.

" I've Never Noticed how Cruel the World was until Now....."

Pure Vanilla had said Coldly as he had Walked Toward's his BedRoom without Looking at AnyOne Else at All.

" Very Well then, from Now on....."

Pure Vanilla had said to HimSelf as he had Entered his Room before Spotting the Picture of him and his Enemies when They had Graduated the Academy Together.

He then Picked Up the Picture as he had Placed his Staff Against the Wall.

Pure Vanilla had Looked at the Picture for a Few Minute's before Pulling Out a Lighter.

" We'll be Enemies....."

Pure Vanilla had said Coldly as he had Lit the Picture on Fire with the Lighter, Allowing the Picture to Burn into Nothing but Ashes.

**** FlashBack End's ****

Pure Vanilla had Completely Changed his Look's, his Personality, and his Way's after his Enemies had Decided to No Longer be his Friend or Ally at All.

He had immediately Made a Lot of Rule's for his Kingdom after his Enemies had Decided to No Longer be his Friend or Ally at All.

The Pure Vanilla Kingdom had immediately Closed it's Gate's to Make Sure No One Enter's or Leave's which had Trapped EveryOne inside of the Kingdom.

None of the Citizen's were Allowed to Wear the Color's Black, Pink, White, Yellow, or Green to Not Let Anything of the Other Kingdom's be Remembered.

Citizen's were also Not Allowed to Speak of Any of the Kingdom's at All.

Any Food that was Made Similar to the Other Kingdom's were immediately Rid of.

That also Included Stuff that was Made by the Other Kingdom's.

Anything that was Made in Honor of the Other Kingdom's were also Destroyed or Taken Down immediately.

Pure Vanilla had Stopped Being Kind to Other's and Became More Cruel as he would Yell at his Guard's/Knight's, Maid's, Chef's, and Citizen's if They had Done even the Slightest Thing Wrong.

Pure Vanilla had also Started to Wear Dark Red Clothing and his Soul Jam had eventually Turned Red which had Shown that he's Completely Changed.

The People of the Pure Vanilla Kingdom were Pissed Off at the Other Kingdom's for their King's Sudden Change in Personality and Appearance.

Their King wouldn't have Changed so Much if it wasn't for the Ruler's of the Other Kingdom's.

Pure Vanilla's Eye's were Now Dull and he Practically Looked Like a Doll.

However, Pure Vanilla didn't Seem to Care for Anything or AnyOne.

That was until his First Daughter was Born.

It was Unexpected due to the Fact that Pure Vanilla had Woken Up One Morning with him Feeling Something in his Arm's.

He had Looked at his Arm's to See a NewBorn Cookie Sleeping in his Arm's.

Pure Vanilla had Nearly Jumped Off the Bed but Made Sure that the NewBorn Cookie was Safe.

The NewBorn Cookie had Suddenly Woken Up and Looked Up at him in Confusion.

Pure Vanilla had Never Done Anything with AnyOne at All so Seeing a NewBorn Cookie Sleeping in his Arm's was Weird but that wasn't the Weird Part.

The Weird Part was that the NewBorn Cookie Clearly had Dark Cacao's Hair but she had his HeteroChromia Eye's along with the Same Diamond Mark on her ForeHead just Like he does.

Pure Vanilla had Decided to Name her Sugar Vanilla Cookie because it Only Felt Right.

However, Sugar Vanilla Cookie wasn't the Only Child that has Suddenly Popped Out of Nowhere.

He also had Some Other Children after her but he's Not Going to Mention how Many that he Currently has at this Current Point and Time due to Personal Reason's.

But Pure Vanilla did Find Out that his Children were Created with his and Enemies Magic Somehow.

The Rule's of the Kingdom had also Applied to the Royal Family so the Royal Family had to Wear Dark Red Clothing just Like Pure Vanilla does.

Ever since his Children were Brought into this Cruel World, Pure Vanilla was a Bit More Easy on EveryOne Else.

But, it didn't Mean that he was still Nice, Caring, or Forgiving to Other Cookie's aside from his Children.

He Use to Wonder when he'll Get his Revenge on his Enemies.

But Now, he's More Focused on his Family.

Pure Vanilla No Longer Care's about AnyOne Else aside from his Children.

His Children are the Only Reason why the Other Kingdom's are Safe from his Wrath and why he hasn't Ended it All.

His Children are his Pride and Joy.

They're the Only One's that Pure Vanilla Care's about in this Cruel World.

If a Cookie ever Decide's to Harm his Children.....

They're Going to Regret ever Being Born in the First Place~!

Leaving The Vanilla Kingdom

No One's P.O.V

Pure Vanilla had been Busy Working on PaperWork for the Day inside of his Office Like he usually does Almost 95% of the Time.

Normally, Pure Vanilla would Ignore Any Cookie that Interrupt's him During PaperWork or if They were Annoying the Hell Out of him.

However, it was a Completely Different Story when it Came to his Children.

Whenever his Children would Interrupt him During PaperWork to Ask him to Play with them, Comfort them, Eat with them, or even have a Family Meeting with them, he would do whatever They would Ask without the Slightest Hint of Hesitation at All.

Beside's, his Children are a Lot More Important than PaperWork.

What Kind of Father would he be if he didn't Spend Time with his Children at All?

After All, Pure Vanilla could Never Say No to his Children at All because of him having a Weak Spot for his Children.

Suddenly, a Small Cookie Around the Age of 6 or 7 had Walked into Office.

The Small Cookie had Short Blonde Hair along with Ocean Blue Eye's had Looked at Pure Vanilla with a Nervous Look on his Face for Some Odd Reason that he didn't Know at All.

" Custard Cookie? Is there Something that you Need? "

Pure Vanilla had Asked Calmly and Gently as the Small Cookie that had Short Blonde Hair along with Ocean Blue Eye's who Goes by the Name of Custard had Hid his Hand's Behind his Back and he

had Looked Down.

" Well, there's Something that I Want to Ask you but I'm Afraid that you'll be Angry at me for Asking Something Like this to you....."

Custard had said Worriedly as Pure Vanilla had Stood Up before Walking Toward's Custard and he had Kneeled Down to Custard's Level.

" You can Ask me Anything, Custard. I could Never be Mad at you. "

Pure Vanilla had said Calmly and Gently as Custard had Took a Deep Breath in before Telling Pure Vanilla what he had Wanted.

" Well, I Want to Ask if I could Go OutSide of the Kingdom. Just this Once? "

Custard had Asked in a Pleading Tone as Pure Vanilla's Eye's had Widened in Shock at what Custard had just Asked him.

No One is Allowed to Leave the Kingdom due to the Fact that Pure Vanilla doesn't Want AnyOne to have Any Interaction with the Other Kingdom's at All.

However, he did Not Expect his Youngest Son to Want to Go OutSide of the Kingdom.

Pure Vanilla didn't Want his Youngest Son to Leave because he was Worried about his Youngest Son's Safety.

Then Pure Vanilla had Realized that he can't Keep his Children inside of the Vanilla Kingdom for the Rest of their Live's.

Suddenly, Pure Vanilla had Made Up his Mind.

" Alright, I'll Let you Go OutSide of the Kingdom. However, you Better Stay Safe Okay? Report Back to me atleast once a Week. "

Pure Vanilla had said Calmly and Gently as Custard's Eye's had Lit Up before Thanking Pure Vanilla along with Rushing Out of the Room.

Pure Vanilla then Got Up and Sat Back Down on his Chair as he had Covered his Face with his Hand's.

" Did I do the Right Thing.....? "

Pure Vanilla had Mumbled to HimSelf Worriedly as he had Grabbed his Ink Pen once More and Continued on with the PaperWork.

_____

When the People of the Vanilla Kingdom had First Found Out that Pure Vanilla had Allowed his Youngest Son to Go OutSide of the Kingdom, EveryOne was Shocked.

Pure Vanilla had Never Allowed AnyOne to Leave the Kingdom but Custard had Somehow Convinced him to Let him Go OutSide of the Kingdom.

Not EveryOne had Believed it at First because Pure Vanilla wouldn't Risk his Children, Especially his Youngest Son, Getting Harmed by Another Cookie Both inside and OutSide of the Vanilla Kingdom.

However, Pure Vanilla had eventually Confirmed that it was True which had Shocked Many People of the Vanilla Kingdom.

Currently, Custard was Being Escorted to the Hot Air Balloon by the Knight's of the Vanilla Kingdom.

He had Waited Three Whole Day's in Order to Get Ready and Make Sure that he's Prepared for the Journey OutSide of the Vanilla Kingdom.

EveryOne was Wishing Custard a Safe Journey when he Leave's the Kingdom.

Custard had Found HimSelf Smiling and Waving at All of the People of the Vanilla Kingdom.

When Custard had Arrived at the Hot Air Balloon, his Father and his Sibling's were there Waiting for him.

He had immediately Went Over and Hugged his Sibling's including

his Father.

His Father had then Kneeled Down to his Level as he had Placed a Gentle Kiss on Custard's ForeHead while Smiling Softly for the First Time in his Life ever since he had Changed Completely.

Pure Vanilla's Smile had Shocked EveryOne including his Children.

No One has ever Seen Pure Vanilla Smile for a Very Long Time or Many Year's.

So, Seeing Pure Vanilla Smile for the First Time after Year's was Quite a Shock to EveryOne.

" May the Light Protect you on your Journey....."

Pure Vanilla had said Calmly and Gently as he had Stood Up with him Changing Back to his Calm and Cold Expression once More.

" You May Take your Leave, My Dear Son. "

Pure Vanilla had said Calmly and Gently as Custard had Simply Smiled before Hopping into the Hot Air Ballon with All of his Equipment.

The Hot Air Balloon then Took Off as he had Waved at EveryOne who had just Waved Back.

Even if No One Else could See it, Custard could Tell that his Father was Upset that he was Leaving.

However, They Both Knew that this was for the Best.

_____

It's been a Few Hour's since Custard has Left the Vanilla Kingdom.

Custard had Sat Down on the Floor of the Hot Air Balloon as he had just Smiled Gently.

This was his First Time Leaving the Vanilla Kingdom and Being All by HimSelf after All.

He was Shocked when his Father had Allowed him to Go OutSide of the Kingdom but Nonetheless, he was Super Excited to Go OutSide of the Kingdom.

But he was More Shocked when his Father had Smiled for the First Time in Year's.

Custard has Never Seen his Father Smile before at All.

He was Always Told that Pure Vanilla had Stopped Smiling when the Other Kingdom's had Stopped Being Friend's with him.

This had Made Custard Develop a Type of Hate for the Other Kingdom's.

However, he didn't Want them Dead or Anything Like that, he just Dislike's them a Lot.

After All, They're the Reason his Father is the Way he is Now.

Custard had Always Wondered what his Father had Looked Like before the Other Kingdom's had Stopped Being his Friend's or how he had Acted before Everything had Happened.

The Citizen's of the Vanilla Kingdom had Told him that his Father was the Kindness Cookie that you would ever Meet.

His Father would be a Caring and a Forgiving Person as the Citizen's had Told him.

Until, the Other Kingdom's had Stopped Being his Friend.

That is when his Father had Completely Changed.

Custard had then Felt the Hot Air Balloon had Stopped Floating and Fell to the Ground immediately which had caused Custard to Hit his Head Against the Hot Air Balloon.

" Ouch! "

Custard had Yelled in Pain as he had Gotten Up along with Taking his Equipment with him while he had Proceeded to Walk Away

from the Hot Air Balloon.

" This wasn't Suppose to Happen but who Care's? I can't Wait to See what EarthBread Look's Like! "

Custard had said Excitedly and CheerFully as he had Continued to Walk wherever the Light Guide's him to.

An Unexpected EnCounter

No One's P.O.V

It's been a Few Day's since Custard has Left the Vanilla Kingdom and he was Currently at Some Sort of Ghost Town or whatever it is.

Apparently, there was an Abandoned Academy Not to Far Away from the Ghost Town that his Father Use to Study at with One of the Kingdom's Ruler's.

Her Name was White Lily which Sounded Rather Odd to him but what can he Say about that?

Custard has Visited Numerous Place's as he's Visited Some Village's in a Dessert and also Found Out Some of the History of the Vanilla Kingdom.

However, he also had to Go through a Trial which he didn't even Realize that he was Taking at All.

He had Told the Pilgrim Villager that he was from the Vanilla Kingdom which was a Shock to the Villager.

The Villager did Let him Proceed but Told him to Stay Safe During his Journey.

Another Place that he had Visited was the Pomegranate Village whom he had Helped with a Huge Problem that They were having for Quite Some Time.

He had also Freed the Sugar Swan who had Told him about his Father and the Academy.

Somehow, the Sugar Swan had Known that he was Pure Vanilla's Son and was ThankFul for his Help along with Giving him Direction's.

Anyway's, Custard was Currently Getting Ready to Go Visit the

Abandoned Academy that his Father had Studied at Back when he was Younger.

Maybe, he could Find Something about the Other Kingdom's there.

After All, he did Want to Make them Feel the Same Way that his Father Felt when They had Abandoned him just because of his Kindness.

It Took a Few Hour's in Order for Custard to Reach the Abandoned Academy after Walking for who Know's how Long just to Reach the Abandoned Academy.

When Custard had First Arrived at the Abandoned Academy, he had Walked to the Library and he had immediately Started Looking through the Library of the Abandoned Academy in Order to Find Something about the Other Kingdom's.

After All, he had Wanted to Make them Feel what his Father had Felt when They had Abandoned him All those Year's Ago

He was Currently Looking through Some of the Library's Book's until he had Heard a Woman Talking All of a Sudden for Some Odd Reason that he didn't Know at All.

" I Remember when _____ had to _____ as a Dare and then he had to _____ and EveryOne at the Ceremony Laughed! it was Hilarious! You should've been there GingerBrave! "

The Female Voice had said Excitedly and CheerFully for Some Odd Reason that he didn't Know at All until a Group of Cookie's had Walked Around the BookCase and They had immediately Spotted Custard who was Shocked to See him there.

The Group and Custard had Stared at EachOther for a While when Custard had Noticed that a Sword was Near his Throat All of a Sudden for Some Odd Reason that he didn't Know at All.

" Who are you?! "

A Cookie that had Long Black Hair with a Long White Stripe in it along with Purple Eye's had said Coldly and Harshly for Some Odd

Reason that Custard didn't Know at All as he had Dropped All of the Book's that he was Holding before he had Spun on his Heel and Ran Away from the Unknown Cookie's.

" Wait! Don't Run! "

A Young Cookie's Voice had Yelled Out to him Kindly but it didn't Matter to Custard at All as he had Continued Running Away from the Unknown Cookie's.

Custard didn't Know what They had Wanted from him but he wasn't Going to Wait to Find Out at All.

He wasn't Wanting to Take Any Chance at All with Trusting Unknown Cookie's that he didn't Know about at All so he had Started to Pick Up the Speed.

A Group of Cookie's had been Wandering Around at an Abandoned Academy for Some Odd Reason that NoBody would even Know at All if you didn't Know that Some of the Cookie's had Studied there and Wanted to Revisit the Academy even if it's Abandoned.

Out of All of them, Four of them were Ruler's of Very Well Known and Respected Kingdom's.

The Rest of the Group were Children but They had also Created a Kingdom.

However, They don't have Soul Jam's Like the Adult's do.

A Cookie that had Magenta Hair Tied Up into Bun's along with Magenta Eye's who Goes by the Name of HollyBerry had been Telling the Younger One's of the Group about a Time where Dark Cacao had Done a Dare for the Graduation Ceremony.

Another Cookie had Long Black Hair with a Long White Stripe in it along with Purple Eye's who Goes by the Name of Dark Cacao was Embrassed about the Story she was Telling the Children.

One of the Other Cookie's that had Long White Hair in a Long Down

PonyTail along with Red Eye's who Goes by the Name of White Lily was just Laughing at the Memory.

A Cookie that had Blonde Hair along with Golden Eye's who Goes by the Name of Golden Cheese was Currently Comforting Dark Cacao about the Story.

The Rest of the Cookie's were Called GingerBrave, Wizard Cookie, StrawBerry Cookie, and Chili Pepper Cookie.

GingerBrave had Short Brunette Hair that had White Stripe's in it along with Ocean Blue Eye's while Wizard had Snowy White Hair that had Covered Half of his Fave along with Ocean Blue Eye's (Eye).

Chili Pepper Cookie had Long Red Hair along with Red Eye's while StrawBerry Cookie had her Hair Covered by her Hoodie but she had Snowy White Hair along with Brunette Eye's.

" I Remember when Dark Cacao had to Wear a Dress as a Dare and then he had to Go to the Graduation Ceremony in the Dress and EveryOne at the Ceremony Laughed! It was Hilarious! You should've been there GingerBrave! "

HollyBerry had said Excitedly and CheerFully as the Group had Turned Around the Corner Only to See Something that They weren't Expecting at All.

A Cookie Around the Age of 6 or 7 was Holding Some of the Library's Book's for Some Odd Reason that NoBody even Knew at All.

The Cookie had Blonde Hair along with Ocean Blue Eye's who was Wearing Royal Clothing in a Dark Red Color including Wearing a Crown on his Head which Indicated that the Young Cookie was a Royal Cookie with the Young Cookie Staring Back at them in Shock.

Then Dark Cacao, White Lily, HollyBerry, and Golden Cheese had immediately Noticed that the Cookie had Practically Looked Like Pure Vanilla just a Bit Different.

But the Vanilla Kingdom was Gone and the Vanilla Cookie's had

Gone Extinct so there shouldn't be Any Vanilla Cookie's Left at All.

Suddenly, Dark Cacao had Pulled Out his Sword and Placed it Near the Young Cookie's Throat who was Currently Shocked about what just Happened.

" Who are you?! "

Dark Cacao had Yelled Coldly and Harshly as the Young Cookie that had Blonde Hair along with Ocean Blue Eye's had Dropped All of the Book's that he was Holding before the Young Cookie had Spun on his Heel and Ran Away from All of them.

The Whole Group had immediately Started to Chase after the Young Cookie that had Blonde Hair along with Ocean Blue Eye's.

" Wait! Don't Run! "

GingerBrave had Yelled Out to the Young Cookie that had Blonde Hair along with Ocean Blue Eye's who didn't Stop Running and Started to Pick Up Speed as All of them had Done the Same.

But by Some Bad Luck, the Young Cookie had Tripped and Fell Down Face First which had Allowed All of them to Catch Up to the Young Cookie.

The Young Cookie had immediately Turned Around and Started Backing Away from them as the Young Cookie that had Blonde Hair along with Ocean Blue Eye's had Started to Well Up in Tear's.

Wizard had Reached his Hand Out to the Young Cookie when Suddenly, the Young Cookie that had Blonde Hair along with Ocean Blue Eye's had Grabbed his Staff and Placed a Barrier Around him which had Hurt Wizard's Hand.

" Ouch! That Hurt! "

Wizard had Yelled Out in Pain and Backed Away from the Young Cookie as White Lily had Suddenly Spoke Up.

" Let me Try. "

White Lily had said Calmly and Gently as EveryOne's Eye's had Widened in Shock.

" You're Joking Right?! "

HollyBerry had said Worriedly as White Lily had Shook her Head in Response.

" But you'll Get Hurt! "

StrawBerry Cookie had said Worriedly as White Lily had just Simply Smiled in Response.

" I Know, but I Must do this. "

White Lily had Stated Calmly and Gently as she had Stepped Foward and Kneeled Down infront of the Barrier where the Young Cookie that had Blonde Hair along with Ocean Blue Eye's was Crying inside of.

" Hello there, Young One. "

White Lily had said Calmly and Gently as the Young Cookie that had Blonde Hair along with Ocean Blue Eye's had Looked Up at her with Tear's in his Eye's.

" I'm Sorry about what My Friend did, he's Always Like that. But I Know that he didn't Mean to Harm you, Young One. "

White Lily had said Calmly and Gently as the Young Cookie that had Blonde Hair along with Ocean Blue Eye's had Looked Away from her.

" Is it Alright if I Touch you, Young One? "

White Lily had said Calmly and Gently as the Young Cookie that had Blonde Hair along with Ocean Blue Eye's had Looked at her once More while Slowly Nodding in Response.

The Young Cookie that had Blonde Hair along with Ocean Blue Eye's had Held his Staff Up which had Made the Barrier Big Enough for the Both of them.

White Lily had then Reached Out and Placed her Hand on the Young Cookie's Face Gently while she had Started to Wipe Away his Tear's.

" What's your Name, Young One? "

White Lily had Asked Calmly and Gently as the Young Cookie's Ocean Blue Eye's had Averted Away from her Gentle Red Eye's.

" It's Custard, Custard Cookie III....."

The Young Cookie that had Blonde Hair along with Ocean Blue Eye's who Goes by the Name of Custard had said Calmly as White Lily had Simply Smiled at him.

" That's a Very Beautiful Name for a Young Cookie Like you. "

White Lily had Stated Calmly and Gently as Custard had Looked at her Again with a Smile on his Face.

Custard had then Hugged White Lily which had Shocked EveryOne including White Lily HerSelf.

Custard had just Closed his Eye's and Allowed Sleep to Consume him as the Barrier had Disappeared when he had Fallen Asleep.

He didn't Know why he Felt so Safe Around White Lily, why he Felt his Father's Comfort.

Why did White Lily Seem so Similar to SomeOne that she Knew?

Maybe it was because.....

He Saw his Older Sister in her?

At The HollyBerry Kingdom

No One's P.O.V

White Lily, HollyBerry, Golden Cheese, Dark Cacao, GingerBrave, Wizard, StrawBerry, and Chili Pepper had All Gone Back to the HollyBerry Kingdom with White Lily Carrying Custard Cookie in her Arm's.

It was Surprising that White Lily had Gotten Custard to Calm Down in the First Place Considering the Fact that he was Afraid of EveryOne Else.

The Walk to the HollyBerry Kingdom was Quiet since No One Knew what to Say about what had just Happened with Custard.

When They had Arrived at the HollyBerry Kingdom, Custard was immediately Taken to the Infirmary just incase he had Any Injurie's at All.

At the Very Moment, EveryOne was Waiting OutSide of the Infirmary as White Lily was Pacing Around along with her Panicking due to the Fact that she was Worried for Custard despite just Meeting him.

Then One of the Healer's had Walked Out of the Infirmary with a Surprised Look on their Face for Some Odd Reason that NoBody even Knew at All.

White Lily had immediately Rushed to the Healer with a Worried Look on her Face.

" Where is he?! Is he Okay?! Is he Injured?! "

White Lily had said Panicking as Dark Cacao had Placed a Hand on her Shoulder and was about to Say Something before the Healer had Interrupted him.

" The Boy is Currently Resting in the Infirmary. He is Alright but

Somehow, I Sense a Strong Amount of Magic inside of that Boy. He has a Lot of Magic for a Kid his Age. "

The Healer had said Calmly and Gently as All of them had Sighed in Relief but They were Concerned about the Amount of Magic that Custard has for his Age.

" May we See him? "

White Lily had Asked Calmly and Gently as the Healer had Nodded in Response before Moving Out of the Way and Letting All of them through.

All of them had Walked into the Infirmary to See Custard PeaceFully Asleep on One of the Bed's of the Infirmary.

White Lily had Sat Down in a Chair Next to Custard and she had Smiled at how PeaceFul Custard Looked while Sleeping.

Pure Vanilla was her Closet Friend when They were Studying in the Academy.

But after she had Stopped Being Friend's with him, Everything had Gone Horribly Wrong.

The Vanilla Kingdom along with Pure Vanilla had just Vanished Out of Nowhere with No Possible Explanation at All.

White Lily was Completely Devastated about Pure Vanilla's Sudden Disappearance and Desperately Wanted to Find him in Order to Make Amend's.

However, she Never did Find him and she Never Got the Chance to Apologize to him.

Dark Cacao had Calmed Down a Lot but he was still Confused on why Custard had Looked Like Pure Vanilla with Some Small Difference's, However, that didn't Matter to him for the Time Being.

But the Fact that Custard had Looked Like Pure Vanilla had Hurt him a Lot Worse than Most People Thought it would.

When Pure Vanilla had First Disappeared with his Kingdom, he immediately Thought that Dark Enchantress Cookie had Done Something to him.

(Note: White Lily and Dark Enchantress are Not the Same Person in My AU if Any of you are Confused on how White Lily and Dark Enchantress Exist at the Same Time.)

However, he had Ended Up Finding Out that Dark Enchantress had Nothing to do with the Vanilla Kingdom and Pure Vanilla's Disappearance at All.

HollyBerry had just Stayed Slient while Looking at Custard Sleeping PeaceFully on the Infirmary Bed.

Custard did Remind her of Pure Vanilla a Lot before she had Broke her FriendShip with Pure Vanilla, especially whenever he was Asleep.

Both Pure Vanilla and Custard are Similar in Look's but with Small Difference's.

However, she Must Accept the Fact that the Vanilla Kingdom is Gone and that Pure Vanilla is No Longer with them AnyMore at All.

She Never Knew how Much it could Hurt Losing SomeOne that you Cared about the Most.

Like They Say, you Never Know when you'll Lose SomeOne Important to you All of a Sudden.

Ever since the Day that Pure Vanilla and the Vanilla Kingdom had Disappeared, Nothing has been the Same Between the Group of Four at All.

Sure, They Act the Same and All of them have Fun Like They Use to Back when They were Younger.

But the Fact that Pure Vanilla is No Longer with them Make's the Group Feel Less Lively and Happy, as if a Part of their Soul has been Ripped Apart or is Missing.

Golden Cheese, Meanwhile, had just Ran her Finger's through Custard's Hair.

Back when Pure Vanilla was still their Friend and wasn't Missing, she would Always Run her Finger's through his Hair whenever he was Stressed.

To Know that Pure Vanilla is No Longer with them AnyMore, Make's her Distraught.

She Wished that she had Never Stopped Being Pure Vanilla's Friend at All.

Perhap's if she had Continued to be his Friend, he wouldn't have Disappeared in the First Place.

However, she Know's that she can't Change the Past at All.

GingerBrave, Wizard, StrawBerry, and Chili Pepper Cookie had just Stared at the Scene Quietly.

The Ancient's had Told them All about Pure Vanilla Cookie who was Another Ancient just Like them.

When the Ancient's had Mentioned what Pure Vanilla was Like and what Happened to Pure Vanilla along with the Vanilla Kingdom, All of them were Shocked.

They Never Thought that the Ancient's would do Something Like that to their Own Friend.

But All of them could Tell how Much the Ancient's had Regretted the Fact that They had Stopped Being Pure Vanilla's Friend because he wouldn't have Disappeared if They hadn't Stopped Being his Friend in the First Place.

And the Fact that Custard Look's so Much Like Pure Vanilla would Make them Upset and Distraught about Pure Vanilla No Longer Being with them All Over Again.

Suddenly, Custard had Opened Up his Eye's and he had immediately Sat Up in Shock when he had Noticed that White Lily was Watching

him Sleep.

Custard had immediately Looked Around and he had immediately Noticed that EveryOne was just Staring at him for Some Odd Reason that he didn't Know at All.

" Where am I?! "

Custard had said Panicking as White Lily had Spoke Up before AnyOne Else could Say Anything at All.

" You're in the HollyBerry Kingdom, Custard. This is the Infirmary Room. You've been Sleeping for a While Now. You Made me so Worried! "

White Lily had said Calmly and Gently as Custard had just Nodded his Head in Response to what White Lily had Told him.

" I See, Thank you. "

Custard had said Calmly and Gently as the Four Cookie's had Swore that They had Saw Pure Vanilla in Custard even More if Possible.

" That Remind's me, why were you at the Academy in the First Place? "

Wizard had said Calmly and Gently as Custard had Debated on whether to Tell them or Not about why he was at the Abandoned Academy in the First Place.

He had Decided to Tell them Only Part of the Reason on why he was at the Abandoned Academy in the First Place.

" My Father Went to that Academy when he was Younger. I Went there to See if I could Find Anything about him there. "

Custard had said Calmly and Gently as White Lily had Hummed in Response with Custard Taking a Deep Breath in Order to Calm HimSelf Down.

Opening Up A Little

No One's P.O.V

It's been a Few Day's since Custard was Taken to the HollyBerry Kingdom and he's Learned a Lot of Thing's after he was Taken to the HollyBerry.

The Man that had Long Black Hair with Long White Stripe's in his Hair Goes by the Name of Dark Cacao who is the Ruler of the Dark Cacao Kingdom and One of his Father's Former Friend's.

The Woman who was the One that had Comforted him had Long White Hair in a Long Down PonyTail along with Red Eye's who Goes by the Name of White Lily, the Ruler of the White Lily Kingdom Another One of his Father's Former Friend's.

(Note: Yes, White Lily does have a Kingdom in My AU because I Want her to have One of her Own.)

The Woman that had Magenta Hair Tied Up into Bun's along with Magenta Eye's who Goes by the Name of HollyBerry is the Ruler of the HollyBerry Kingdom along with her Being Another One of his Father's Former Friend's.

The Woman that had Short Blonde Hair along with Golden Eye's who Goes by the Name of Golden Cheese is the Ruler of Golden Cheese Kingdom with her Being the Last of her Father's Former Friend's.

The Other Cookie's that were Tagging along with then were Called GingerBrave, Wizard, StrawBerry, and Chili Pepper.

Custard, However, wasn't Expecting to Meet his Father's Former Friend's this Early into his Adventure.

But that didn't Matter to him at All because he can Easily Get a Ton of Information about the Kingdom's and a Lot More from the Whole

Entire Group.

Currently, Custard was in the Garden's of the HollyBerry Kingdom due to the Fact that the Garden was the Closet Thing that had Reminded him of his Home Back at the Vanilla Kingdom.

Custard was Looking Up at the Sky when Suddenly, a Blue Bird had Flew Toward's him.

However, this Blue Bird wasn't just Any Normal Bird, it was One of his Father's Bird's that he had Named HimSelf after his Father had Allowed him to Name the Blue Bird.

He had Almost Forgotten about him having to Report Back to his Father once a Week due to the Fact that he's Traveled a Lot including him Trying to Gather Information.

Custard had then Placed his Arm Out for the Blue Bird to Land on as the Bird had Landed on his Arm and Started Chripping in Excitement from Seeing Custard and Started Pecking his Cheek.

" Hahahaha! Okay! Okay! I Know you're Excited to See me Kamiku but Calm Down! I have to Report to Father you Know!? "

Custard had said Excitedly and CheerFully while Laughing at Kamiku's Antic's as Kamiku had Pecked his Cheek once More before Moving Away.

" Anyway's, Tell Father that I'm Alright and that I've EnCountered his "Friend's" Earlier than I had Anticipated and that They've Brought me to the HollyBerry Kingdom～! "

Custard had said Excitedly and CheerFully as Kamiku had Chripped in Response before Flying Away into the Cloud's once More with Custard Putting his Arm Back Down.

" I Wonder how Big Brother #æ＝("&œçœ is Doing.....? "

Custard had said Calmly and Gently as he had Sighed in Response as he had just Looked Back into the Sky.

He had Always Wondered how Thing's could've Possibly Gone if his

Father's Former Friend's had Never Broken their FriendShip with his Father.

Maybe, his Father would be Able to Forgive his Former Friend's for what They've Done to him?

Oh what is he even Saying?

Custard Know's that it's Not Possible and Never will be Possible for his Father to ever Forgive his Former Friend's for what They've Done to him.

" Custard! "

A Cookie had Yelled Out to him Worriedly as Custard had Turned Around Only to See that it was None Other than Chili Pepper Cookie who was Calling Out to him.

" Damnit Kid! You Sure Hide Well! EveryOne Else is Back at the Throne Room! All of us Thought that you were Dead! Don't do that Again! "

Chili Pepper Cookie had said Annoyed yet Worriedly as Custard had Nodded his Head in Response before Walking Out of the Garden's with Chili Pepper Cookie Following him in Order to Not Lose him Again.

When Custard and Chili Pepper had Returned to the Throne Room, All Eye's were immediately Locked onto the Both of them.

" Found the Kid, he was in the Garden's! "

Chili Pepper Cookie had said Annoyed as White Lily had immediately Rushed Toward's Custard and Pulled him Close to her into a Hug.

White Lily hasn't Known Custard that Long but she Feel's so Attached to him Already.

After All, Custard Remind's her a Lot of Pure Vanilla and she'll do Anything to Protect Custard from Harm.

If she couldn't Protect Pure Vanilla then she would atleast Protect Custard in Order to Make Up for Everything that she's Done to Pure Vanilla.

" White Lily? You're Hugging me a Bit to Tight. "

Custard had said as White Lily had immediately Stopped Hugging him in Order for her to Not Crush him to Death at All.

" Sorry, I was just Worried about you. "

White Lily had said Calmly and Gently as Custard had just Smiled in Response with the Ancient's Realizing that Pure Vanilla's and Custard's Smile were Practically the Same.

" That Remind's me, Custard? "

Wizard had Asked Calmly and Gently as Custard had Looked at Wizard with a Confused Look on his Face along with Tilting his Head in Response.

" What is it? "

Custard had Asked Calmly and Gently as Wizard had Spoke Up.

" Where is your Father? "

Wizard had Asked Confused as Custard had just Simply Smiled in Response.

" Papa is All the Way Up in the Cloud's! "

Custard had said Excitedly and CheerFully as he had Pointed Up to the Sky in Response to Wizard's Question.

EveryOne Else had immediately Froze in Place when Custard had Told them that his Father was Up in the Cloud's.

They couldn't Believe it at All.

Custard's Father was actually Dead?!

What about his Mother?! Is she also Dead?! Or did his Mother just

Abandon him?!

Custard had Looked at EveryOne with him Being Confused on why They were Shocked about where his Father was at.

Suddenly, he had Realized what They were Thinking and why All of them were Shocked about where he had Told them his Father was as Custard had Shook his Head in Response.

" Papa isn't Dead you Know? Papa and I have a Home Up in the Cloud's. We just Live Up in the Sky! "

Custard had said Excitedly and CheerFully as EveryOne had Let Out a Huge Sigh of Relief.

" Wait, where's your Mother then? "

Dark Cacao had Asked Custard Calmly and Gently as Custard had just Simply Smiled in Response to his Question.

" Mother doesn't Know about My Existence. Papa was the One who Created me! However, Papa Hated Mother and Kept me a Secret from Mother! "

Custard had said Excitedly and CheerFully as EveryOne Else was Shocked about what Custard had Told them about his Father and Mother.

White Lily had then Pat Custard's Head as he had just Started Giggling in Response.

White Lily had Decided that from Now on, she would be Custard's Mother and to Protect him from Any Harm so that she can Make Up for what she's Done to Pure Vanilla.

A Father's Love

No One's P.O.V

Pure Vanilla had been Looking Out the Window of his Office while Listening to his Son's Bird, Kamiku, who was Telling him about Custard's Current Condition and Physical/Mental Health.

It's been a Few Day's since Custard has Left the Vanilla Kingdom and Thing's were a Lot Different from before when Custard had Left the Vanilla Kingdom.

He was Shocked to Find Out that his Youngest Son had EnCountered his Enemies a Lot Earlier than Anticipated along with Being Taken to the HollyBerry Kingdom by his Enemies.

Pure Vanilla was Severely Pissed Off that One of his Enemies had Placed his Sword Near his Youngest Son's Neck and Nearly Killed his Youngest Son.

However, he had immediately Calmed Down when Kamiku had Told him that his Youngest Son was Alright and wasn't in Any Danger at All.

But that didn't Mean that Pure Vanilla still wasn't Worried about his Youngest Son Being Near his Enemies with One of them Nearly Killing him.

After All, his Children were Very Important to him.

And if Any of them Got Hurt, then he would Make Sure that the Cookie/Cookie's that Hurt his Child/Children would Suffer for the Rest of their Live's.

Pure Vanilla had Decided that he would Send One of his Other Children to Look after Custard just incase Something End's Up Happening to Custard.

" ~æđë)ëįñë! "

Pure Vanilla had Yelled OutLoud as a Cookie had immediately Entered the Office with a Calm Look on his Face for Some Odd Reason that NoBody would even Know at All.

The Cookie had Blonde Hair along with Ocean Blue Eye's who Goes by the Name of ~æđë)ëįñë had immediately Bowed Down as he Spoke Up.

~æđë)ëįñë had Asked Calmly and Gently as Pure Vanilla had Shook his Head in Response.

Pure Vanilla had said Calmly and Gently as ~æđë)ëįñë had Nodded his Head in Response.

" Sorry, Father. "

~æđë)ëįñë had said Calmly and Gently as Pure Vanilla had just Simply Smiled in Response to ~æđë)ëįñë'§ Apology.

" Don't Apologize, ~æđë)ëįñë. It is Quite Alright. However, there is Something that I Need you to do. "

Pure Vanilla had said Calmly and Gently as ~æđë)ëįñë had Raised an EyeBrow in Response.

" What would that be, Father? "

~æđë)ëįñë had Asked Calmly and Gently as Pure Vanilla had Spoke Up.

" You're Younger Brother, Custard, is Currently at the HollyBerry Kingdom. I Want you to Find him and Protect him just incase he Get's Harmed. "

Pure Vanilla had Asked Calmly and Gently as ~æđë)ëįñë'§ Eye's had Widened at the Fact that his Younger Brother was Currently at the HollyBerry Kingdom, One of his Father's Enemies Kingdom.

~æđë)ëįñë had then Nodded his Head in Response to his Father's ReQuest.

" Of Course, Father. "

~æđë)ëįñë had said Calmly and Gently as he had Stood Up before his Father had Spoke Up.

" Make Sure to Bring Æ$$œ%æþœ with you as Well. "

Pure Vanilla had said Calmly and Gently as ~æđë)ëįñë had Hummed in Response before Leaving the Office.

Pure Vanilla had then Taken a Deep Breath in Order to Calm HimSelf Down from the Amount of Stress that he was Currently Feeling at the Very Moment.

He was Already Regretting his Decision on Letting Custard Leave the Vanilla Kingdom but he couldn't Keep his Children Trapped inside of the Kingdom for the Rest of their Live's.

Pure Vanilla had then Started Praying while Whispering to HimSelf.

" May the Light Guide you on your Journey. "

Pure Vanilla had Mumbled to HimSelf as he had Looked Back at Kamiku who was Now on his Shoulder.

" Kamiku, Please Inform Custard about ~æđë)ëįñë'§ Arrival. "

Pure Vanilla had Asked Calmly and Gently as Kamiku had Chripped in Response before Flying Away.

Pure Vanilla had then Went Back to his Desk and Sat Down on his Chair.

" Why do I have to Suffer.....? "

Pure Vanilla had said Frustrated as he had Grabbed his Ink Pen and immediately Got Back to Work.

Custard was Currently inside of the HollyBerry Kingdom's Garden while he was Currently Sitting on the Ground.

Custard had then Remembered when Golden Cheese was Running her Finger's through his Hair Like she did with his Father when he was Younger.

'If Only she Knew the Truth.....'

Custard had Thought to HimSelf as he had Looked at Flower's of the HollyBerry Kingdom.

He had to Admit, the Flower's of the HollyBerry were Really Pretty but Not as Pretty as the Flower's of the Vanilla Kingdom because the Vanilla Kingdom's Flower's are a Lot Better than these.

" I have to be Ready for Big Brother ~ædë)ëį̈ñë'§ and Æ$$œ%æþœ'§ Arrival Tomorrow. "

Custard had said Calmly and Gently as he had Heard SomeOne Walking Toward's him.

The Regret

No One's P.O.V

Of Course, the Meeting was about the Vanilla Kingdom.

EveryOne was so Confused yet Shocked at the Same Time.

The Vanilla Kingdom had Vanished Many Year's Ago and Suddenly Affogato Tell's them that the Vanilla Kingdom is still Exist's.

However, it does Explain why Custard had Told them that he Live's Up in the Cloud's.

Custard was actually Telling All of them that he Live's in the Vanilla Kingdom.

Except Affogato had also Revealed Something Else to All of them.

By Affogato Telling All of them that the Vanilla Kingdom still Exist's, he Practically Told All of them that Pure Vanilla is still Alive since the Vanilla Kingdom still Exist's.

But why did Pure Vanilla and his Kingdom immediately Disappear after the Ancient's had Broke their FriendShip with Pure Vanilla Cookie?

It just doesn't Make Any Sense to them at All.

" Does.....Does Pure Vanilla ***Hate the Ancient's?*** "

Chili Pepper Cookie had Asked Calmly and Gently as EveryOne's including the Ancient's Eye's had immediately Went Toward's Chili Pepper Cookie in Shock at what she had just Told them.

" Chili Pepper Cookie! Why would you Ask that?! "

StrawBerry Cookie had Asked Confused yet Shocked as Chili Pepper Cookie had just Shook her Head in Response.

" I Mean, it Make's Sense. It would Explain why Pure Vanilla Cookie and the Vanilla Kingdom had immediately Disappeared after the Ancient's Broke their FriendShip with him. Pure Vanilla Must've been so Mad at them that he did Something that Made him and his Kingdom Suddenly Disappear. If I was him, I would do the Same. "

Chili Pepper Cookie had said Calmly and Gently as Dark Cacao had immediately Spoke Up.

" There's No Way! Pure Vanilla is the Kindest Cooke that you'll ever Meet! There's No Way that he Hate's us! "

Dark Cacao had said Irritated and Annoyed as EveryOne Else had immediately Agreed with what Dark Cacao had said when Suddenly, SomeOne had Entered the Room along with Interrupting the Meeting which had Made All of them Annoyed.

EveryOne had Turned to See who had Suddenly Interrupted the Meeting Only for it to be None Other than Custard HimSelf who had a Mischievous Grin on his Face.

Custard had said Excitedly and CheerFully as EveryOne's Eye's had Widened in Shock at what Custard had just Told All of them.

However, what Really Shocked All of them was when Custard had said that Pure Vanilla had Became Cruel and Mean after the Ancient's Broke their FriendShip with him.

There's just Simply No Way that Pure Vanilla could be Cruel and

Mean at All!

" What do you Mean by Pure Vanilla Became Cruel and Mean, Custard?! Pure Vanilla's the Kindest Cookie that you'll ever Meet! "

White Lily had said Confused as EveryOne Else had immediately Agreed with White Lily when Suddenly, Custard had just Started Giggling for Some Odd Reason that NoBody even Knew at All.

" Even the Kindest Cookie's can Change you Know? There's Only Certain Cookie's that he isn't Cruel or Mean Toward's at All! "

Custard had said Excitedly and CheerFully as EveryOne was Suddenly Confused on what Custard had Meant by that.

" And who would They be? "

Dark Cacao had Asked Confused as Custard had just Simply Giggled in Response.

" Why, his Children of Course! "

" Yep! "

Custard had said Excitedly and CheerFully as he had just Started Giggling at EveryOne's Reaction.

The Ancient's had Suddenly Felt a Small Amount of Jealously Forming Deep inside of them.

Who did Pure Vanilla have Children with?

More Importantly, why do They Feel so Jealous and Angry?

" Anyway's, I'll be Taking My Leave Now! GoodBye~! "

Custard had said Excitedly and CheerFully as he had Left the Room with Leaving EveryOne Else to their Own Thought's.

Everything was just Slient for the Next 10 Minute's when Suddenly, Dark Cacao had Spoke Up.

" This Meeting has been Commenced, All of us Shall Return to what we were Doing before. "

Dark Cacao had said Calmly and Gently as EveryOne had just Nodded their Head's in Response before Leaving the Room along with Going Back to what They were Doing before.

Honestly, Dark Cacao Think's that he Deserve's it.

He was a Bad Father to Dark Choco and Now, Dark Choco Hate's him so he UnderStand's why Pure Vanilla also Hate's him just Like Dark Choco.

However, Dark Cacao still Felt Jealous that Pure Vanilla had Children with SomeOne that wasn't him at All.

Dark Cacao had just Took a Deep Breath and Lied Down on his Bed as he had Felt Tear's Running Down his Face but just Allowed them to Fall.

Golden Cheese had Felt Jealous and Angry at the Fact that Pure Vanilla had Children with Another Woman that wasn't her at All.

She Remembered All of the Memories that she had with Pure Vanilla Back when They were still Friend's..

All of them were still Confused on who Pure Vanilla had Children with in the First Place at All.

The Ancient's were Currently Processing Everything that Affogato and Custard have Told All of them.

GingerBrave, Wizard, StrawBerry, and Chili Pepper Cookie had Left the Ancient's to their Thought's since They Knew that They were still Processing Everything that Affogato and Custard have Told All of them.

They were Worried about the Ancient's but Knew that They Needed Time to Process Everything that Affogato and Custard have Told All of them.

StrawBerry had Gone to Talk with the HollyBerry Citizen's while Chili Pepper Cookie Went to Steal Some Thing's from the Cookie's once Again and Wizard Went who Know's where to Practice his Magic.

GingerBrave, However, Looked Around the HollyBerry Kingdom for Custard for Some Odd Reason that NoBody would even Know at All.

GingerBrave had eventually Found Custard in the Garden's of the HollyBerry Kingdom for Some Odd Reason that he didn't Know at All.

But Custard wasn't by HimSelf this Time at All.

Madeleine and Affogato were also in the Garden's of the HollyBerry Kingdom with Custard along with Playing a Game of Tag with him.

GingerBrave had Debated on whether to Talk to them or Not.

After All, Affogato Probably doesn't Trust them at All and has Most Likely Told Madeleine and Custard what They've Done to him.

They did Threaten Affogato to Tell them about the Vanilla Kingdom because They were Suspicious about where They had Lived since They didn't Know that the Vanilla Kingdom still Existed at the Current Point and Time.

" GingerBrave! Come here! "

Custard had said Excitedly and CheerFully as GingerBrave had Walked Over to the Three of them with Custard Moving with his Hand's Around for Some Odd Reason that GingerBrave didn't Know at All.

Suddenly, a Bouquet of Flower's had Appeared in Custard's Hand's for Some Odd Reason that GingerBrave didn't Know at All.

However, GingerBrave had Noticed that Madeleine and Affogato just Acted Like it was Normal for the Both of them for Some Odd Reason that he didn't Know at All.

Custard had then Shoved the Bouquet into GingerBrave's Hand's for Some Odd Reason that he didn't Know at All.

" What Type of Flower's are these? "

GingerBrave had Asked Confused as Custard had just Simply Smiled

in Response for Some Odd Reason that he didn't Know at All.

" These are Vanilla Flower's! "

Custard had said Excitedly and CheerFully as Madeleine along with Affogato had Started Giggling for Some Odd Reason that GingerBrave didn't Know at All.

" Well then, Custard Must Really Trust you GingerBrave~! "

Madeleine had said Excitedly and CheerFully as GingerBrave had Tilted his Head in Confusion.

" What do you Mean by that? "

GingerBrave had Asked Confused as Affogato had just Smiled in Response for Some Odd Reason that GingerBrave didn't Know at All.

" What Madeleine Mean's is that in Our Family, we Only Give Vanilla Flower's to Cookie's that we Trust or Care about the Most. So, Custard Giving you Vanilla Flower's is either because he Trust's you or Care's about you a Lot GingerBrave! "

Affogato had said Excitedly and CheerFully as GingerBrave had Felt his Face Flush Red for Some Odd Reason that GingerBrave didn't Know at All.

'Custard either Trust's me or Care's about me? But why? '

GingerBrave had Thought Confused as Custard had Created a Vanilla Flower with his Hand's and Placed it in his Hair for Some Odd Reason that GingerBrave didn't Know at All before his Face had Turned even Redder if Possible.

" My, My~ Custard Really does Trust you~! "

Affogato had said Teasingly as GingerBrave had Looked in Response when SomeOne had Yelled Out for Three of them for Some Odd Reason that NoBody even Knew at All.

" Madeleine! Affogato! Custard! "

A Familiar Voice had said Worriedly as All Four of them had Turned Around Only to See that the Figure was None Other than White Lily HerSelf.

" White Lily? Is there Something you Need? "

Madeleine had Asked Calmly and Gently as White Lily had Spoke Up.

" Is it Alright if we can Ask you Three Some Question's? "

White Lily had Asked Calmly and Gently as the Three of them had Nodded their Head's in Response.

" Why Not? "

Madeleine had said Calmly and Gently as White Lily had Simply Nodded her Head in Response with All Five of them Leaving the Garden and eventually Reaching the Room where the Last Meeting Took Place.

EveryOne Else was Already Sitting Down as the Rest of them had Sat Down on the Chair's as Well.

" Well then? What do you Wish to Know? "

Madeleine had Asked Calmly and Gently as HollyBerry had Spoke Up First.

" Why did the Vanilla Kingdom immediately Disappear after we Broke Out FriendShip with Pure Vanilla? "

HollyBerry had Asked Worriedly as Affogato had just Chuckled in Response for Some Odd Reason that NoBody even Knew at All.

" Isn't it Obvious? Pure Vanilla Closed the Vanilla Kingdom's Gate's and Used a Spell that Hid the Kingdom from OutSider's! "

Affogato had said Excitedly and CheerFully as the Ancient's had Started to Feel Guilty once Again for Breaking their FriendShip with Pure Vanilla once More before White Lily had Spoke Up.

" If you don't Mind us Asking, how do the Three of you Feel about us? "

White Lily had Asked Calmly and Gently while Pointing Toward's HerSelf along with the Rest of the Ancient's as All Three of them had their Eye's Darken immediately for Some Odd Reason that NoBody even Knew at All.

" I Want you Dead. "

Madeleine had said Coldly and Harshly without Any Hesitation at All as EveryOne's Eye's had Widened in Shock at what Madeleine had Told All of them.

" I Want to See All of you Die Slowly and PainFully. "

Affogato had said Coldly and Harshly without the Slightest Hint of Regret about what he had Blurted Out at All in the First Place as EveryOne had Started to Get Worried about what Custard would Say what he Think's about them/the Ancient's Next.

" I just Hate All of you. I don't Want you Dead unlike those Two, I just Hate All of you. "

Custard had said Coldly and Harshly as EveryOne had Sighed in Relief that Custard doesn't Want them/the Ancient's Dead at All but Rather, he just Hate's them/the Ancient's.

" Alright, this is the Last One for Now. Is Pure Vanilla Doing Alright? "

Dark Cacao had Asked Worriedly as the Three of them had their Eye's immediately Lit Up for Some Odd Reason that NoBody even Knew at All.

" Yep, he's Alright! "

Affogato had said Excitedly and CheerFully as the Ancient's had Sighed in Relief that Pure Vanilla was Alright after All that They've Done to him.

" Very Well then, you Three you May Leave. "

Golden Cheese had said Calmly and Gently as the Three of them had immediately Left the Room with the Rest of them still Sitting on the Chair's.

" GingerBrave? "

HollyBerry had said Surprised yet Shocked as GingerBrave had Tilted his Head in Response.

" Where did you Get those Vanilla Flower's from? "

HollyBerry had Asked Worriedly as EveryOne Else had Looked at GingerBrave Only for All of them to See GingerBrave Holding a Bouquet of Vanilla Flower's along with him having a Vanilla Flower in his Hair for Some Odd Reason that NoBody even Knew at All.

" Oh, these? Custard Gave these to me! In this his Family, They Only Give Vanilla Flower's to the Cookie's that They Trust the Most or Care about the Most! "

GingerBrave had said Excitedly and CheerFully as EveryOne's Eye's had Widened in Shock at what GingerBrave had just Told All of them.

" I See....."

White Lily had said Calmly and Gently as All of them had Started to Discuss about what the Three Sibling's have Told them about the Vanilla Kingdom and Pure Vanilla Today.

Affogato's Past

Note: This is a FlashBack Chapter about Affogato's Past and how he had Met Pure Vanilla along with how Pure Vanilla Ended Up Adopting Affogato.

TW: Mention's of Physical/Mental Abuse and Neglect!

No One's P.O.V

A Small Cookie Around the Age of 5 or 6 had been Running through the Wood's due to the Fact that he was Running Away from his Older Brother and his Older Sister.

The Small Cookie had Short Curly Brunette Hair Fading to a Snowy White Color HalfWay along with White Eye's with Black Slit's in them.

The Cookie was Running Away from his Older Brother after the Both of them had Gotten into a Fight which had Led to the Older Brother Hitting him.

Their Father was Both Physically and Mentally Abusive and their Mother was Neglecting the Three of them for Some Odd Reason that They didn't Know at All.

His Older Sister had Saw his Older Brother Hit him and Chased after him due to the Fact that she was Worried about her Younger Brother.

" Affogato! Come Back! "

His Older Sister had Yelled for him Worriedly as the Cookie that had Short Curly Brunette Hair Fading to a Snowy White Color HalfWay along with White Eye's with Black Slit's in them had Continued Running with Tear's in his Eye's, his Face still Stinging from the Hit by his Older Brother.

Affogato had Continued Running as Far as he could Go before his Leg's had Started to Become Sore from All of the Running.

Affogato didn't Want to Go Back Home because he didn't Want to Get Hit Again at All.

Suddenly, Affogato had Spotted a Bush for him to Hide in as he had immediately Went Over to the Bush and Hid inside of it, Making Sure to Cover his Mouth so his Older Brother and his Older Sister couldn't Hear him at All.

" Affogato! Please Come Back! I didn't Mean to Hurt you! "

Affogato's Older Brother had Yelled for him Worriedly as Affogato didn't Move at All.

He Knew that his Older Brother didn't Mean to Hurt him at All but that didn't Mean that he would just Forgive him Like that for Hitting him.

" Espresso, I Think he's Gone Already. We weren't Able to Get him. "

Affogato's Older Sister had said Calmly and Gently as Espresso had just Sighed in Response with Affogato Peaking through the Bush to See what was Happening.

" I Know Latte, it's just....."

His Older Brother who Goes by the Name of Espresso said Worriedly as his Older Sister that had a Mix of Snowy White and Lightish Brunette Hair along with Brown Eye's who Goes by the Name of Latte had Placed her Hand on his Shoulder.

Espresso had Short Black Hair along with White Eye's with Black Slit's in them despite Half of his Face Being Covered and Currently had a Guilty Expression on his Face.

" There's No Point Espresso, he'll Never Come Back. "

Latte had said Calmly and Gently as Espresso had just Nodded his Head in Response before the Both of them had Started to Run Back

Home.

Affogato had Stepped Out of the Bush as he had Grabbed the Leave's that were Stuck on him and Pulled them Out One by One.

Affogato had then Started Running the Opposite Direction as his Older Brother and his Older Sister Went.

He didn't Know how Long he had been Running for but he had Finally Stopped Running when his Leg's had Given Out and he had Collapsed onto the Ground.

No Matter how Hard that he had Tried, he couldn't Get Back Up.

Suddenly, he had Heard a Voice.

This Cookie's Voice was Different from what he's Heard before.

No, this Cookie's Voice was Gentle, Filled with Care and Love, he could Tell that the Cookie was Worried about him.

He Felt Safe Around this Cookie, Something that he had Never Felt before at All.

" My, My. Are you Okay, Little One? "

The Cookie had said Calmly and Gently yet Held Worry in their Voice as Affogato had Looked Up Only for him to See a Cookie that had Short Blonde Hair along with One Golden Eye with One Ocean Blue Eye who was Wearing Dark Red Clothing.

" W-Who are y-you? "

Affogato had Asked Confused while Stumbling on his Word's as the Cookie that had Short Blonde Hair along with One Golden Eye with One Ocean Blue Eye who was Wearing Dark Red Clothing that had a Diamond Mark on their ForeHead had just Smiled in Response.

" My Name's Pure Vanilla. What's your Name, Young One? "

The Cookie that had Short Blonde Hair along with One Golden Eye

with One Ocean Blue Eye who was Wearing Dark Red Clothing that had a Diamond Mark on their ForeHead who Goes by the Name of Pure Vanilla had said Calmly and Gently as Affogato had immediately Spoke Up.

" A-Affogato....."

Affogato had said Worriedly as Pure Vanilla had Simply Smiled in Response along with him Humming for Some Odd Reason that Affogato didn't Know at All.

" Affogato, Huh? That's a Beautiful Name for a Cookie. "

Pure Vanilla had said Calmly and Gently as Affogato's Eye's had Widened in Shock due to the Fact that Other Cookie's would Always Make Fun of his Name so to Hear a Cookie Tell him that he has a Beautiful Name was Shocking for him.

" That Remind's me, where are your Parent's Affogato? It's Night and a Cookie Like you shouldn't be Out at a Time Like this. "

Pure Vanilla had said Calmly and Gently as Affogato had Averted his Eye's Away from Pure Vanilla's.

" Father and Mother could Care Less about what I do, They've Never Cared about me or My Sibling's at All. I Ran Away from Home because Big Brother and I Got into a Fight which had Led to Big Brother Hitting me on Accident but, I don't Want to Go Back Home! "

Affogato had said Calmly and Gently as Pure Vanilla's Eye's had Widened in Shock at what Affogato had just Told him.

" Well then, would you Like me to be your Father? "

Pure Vanilla had Asked Calmly and Gently as Affogato had Looked at Pure Vanilla with his Eye's Widened in Shock at what Pure Vanilla had just Asked him.

Affogato was a Bit Skeptical but Something was Telling him to Trust Pure Vanilla and that Pure Vanilla wouldn't Hurt him at All.

So, Affogato had Smiled as Tear's Started to Well Up in his Eye's with him Nodding his Head in Response to Pure Vanilla's Question.

" Yes! "

Affogato had said Excitedly and CheerFully as Pure Vanilla had Simply Smiled before Picking him Off of the Ground and Holding him Close to him.

Pure Vanilla had then Waved his Staff Around as a Portal had Appeared Out of Nowhere and the Both of them Went through the Portal Only for Affogato to Find ThemSelves in a Kingdom that Appeared to be Up in Sky's for Some Odd Reason that he didn't Know at All.

Pure Vanilla had then Teleported into a BedRoom before Placing Affogato onto a Bed.

" Get Some Rest, Okay? "

Pure Vanilla had said Calmly and Gently as Affogato had Smiled in Response before Closing his Eye's along with Falling Asleep Quickly due to Exhaustion.

It was the Next Day and Pure Vanilla was Currently Getting Affogato Prepared to Meet his Sibling's and the Announcement for him Being Another One of the Vanilla Kingdom's New Prince's.

Affogato was also Wearing Dark Red Clothing just Like what Pure Vanilla was Wearing.

He was Pretty Nervous about Meeting his New Sibling's and a Whole Entire Kingdom but Pure Vanilla had Managed to Keep him Calm.

When Everything was Ready, the Both of them had Walked through One of the HallWay's until They had Reached the End of the HallWay which had a Balcony Connected to it.

Affogato could See a Few Cookie's Standing Waiting for them.

The First and Second Cookie were a Pair of Twin's.

The First Twin had Medium Length Curly Hair along with One Golden Eye with One Ocean Blue Eye including a Diamond Mark on her ForeHead just Like Pure Vanilla does while the Second Twin had Blonde Hair with her Front Hair Being a Magenta Color including her Hair Being Tied Up into a Bun along with her having One Purple Eye with One Ocean Blue Eye.

The Third Cookie had Short Black Hair with White Stripe's in it along with Red Eye's.

The Last Cookie's were Another Set of Twin's the First One had Short Curly Blonde Hair along with Ocean Blue Eye's while the Second Twin had a Mix of Magenta and Black Hair that was in a Small Bun along with Ocean Blue Eye's.

" Hello, Father. "

All of them had said Calmly and Gently as Pure Vanilla had Simply Nodded his Head in Response.

" Sugar Vanilla Cookie, Chocolate Vanilla Cookie, Dark Choco Cookie, Madeleine Cookie, and =ë# :ë):ëþ Cookie. It's a Pleasure to See All of you. "

Pure Vanilla had said Calmly and Gently as the Cookie that Short Curly Blonde Hair along with Ocean Blue Eye's who Goes by the Name of Madeleine had Pointed at him with a Confused Look on his Face.

" Father, who's that with you? "

Madeleine had Asked Confused as Affogato had Started to Feel Very Nervous for Some Odd Reason that NoBody would even Know at All if you didn't Know that he was Scared on how his New Sibling's would React to him.

" Sugar Vanilla Cookie, Chocolate Vanilla Cookie, Dark Choco Cookie, Madeleine Cookie, and =ë# :ë):ëþ Cookie. This is your New Brother, Affogato. I Found him Last Night and Took him in. He's Lived in an Abusive HouseHold for Most of his Life so Please,

Treat him with Love and Care. "

Pure Vanilla had said Calmly and Gently as All of them had immediately Smiled and Walked Up to Affogato with them Introducing ThemSelves.

Pure Vanilla had Watched as his Children had Talked with Affogato before a Smile had Started to Form on his Face.

They've been Wanting Another Sibling for Quite Some Time Now so Everything would be just Fine for Affogato to Live here from Now on.

Suddenly, Pure Vanilla had Felt a Small Kick inside of his Stomach.

Speaking of which, he'll have to Tell his Kid's Sooner or Later about them Going to have Another New Brother or Sister Sooner or Later.

No One's P.O.V

A Boy who was Currently a Young Child or a Soon to be PreTeen in a Couple of Year's that had Long Black Hair with Long White Stripe's in it along with Red Eye's had been Running through the Snow for Some Odd Reason that NoBody even Knew at All.

The Boy that had Long Black with Long White Stripe's in it along with Red Eye's had been Running through the Snow with Tear's in his Eye's due to the Fact that he had been Banished from his Kingdom by his Own Father.

He didn't Mean to Hurt his Father with the Sword but his Father didn't Let him Explain at All.

Why was his Father so Cruel Toward's him?

Ever since he was Born, his Father would Ignore him and wouldn't Pay Any Attention to him at All.

He had Three Parent's to be Honest, Two Father's and One Mother.

His Mother didn't Know about his Existence at All and his Father didn't Know about his Mother along with his Other Father at All.

His Other Father was the Only One who would Pay Attention to him and Give him the Love and Care that his Father had Failed to Provide him with.

No One but him and his Other Father Knew the Truth about who's Magic that he was Made with .

His Other Father had also Told him about his Older Sister's who Go by the Name's of Sugar Vanilla Cookie and Chocolate Vanilla Cookie.

He was also Told about his Younger Sibling's who Go by the Name's of Madeleine Cookie, and =ë# :ë):ëþ Cookie .

He had Always Wished to Meet them but he doesn't Know if he'll Meet them in a Situation Like this.

When he was Around 6 or 7 Year's Old, his Other Father would Always Sing him to Sleep and his Other Father would Always Tell him to Call him by his Name or whatever he Want's to Call him if he Need's him .

The Boy that had Long Black Hair with Long White Stripe's in it along with Red Eye's had Already Knew that he had Needed his Other Father More than Anything in the World Right Now.

The Boy that had Long Black Hair with Long White Stripe's in it along with Red Eye's had Fell to his Knee's as he had Yelled for his Other Father.

" PAPA!!!!!! "

The Boy that had Long Black Hair with Long White Stripe's in it along with Red Eye's had Yelled OutLoud for his Father Worriedly for Some Odd Reason that NoBody would even Know at All if you didn't Know that he had Needed his Other Father More than Anything in the World at this Very Moment.

Suddenly, a Cookie had Appeared infront of him.

The Boy that had Long Black Hair with Long White Stripe's in it along with Red Eye's had immediately Knew who this Cookie was

and Started Crying as he had Looked Up at the Cookie.

The Cookie had Short Blonde Hair along with One Golden Eye with One Ocean Blue Eye who was Wearing Dark Red Clothing.

" Dark Choco? What's Wrong SweetHeart? "

The Cookie that had Short Blonde Hair along with One Golden Eye with One Ocean Blue Eye who was Wearing Dark Red Clothing had said Worriedly as the Boy that had Long Black Hair with Long White Stripe's in it along with Red Eye's who Goes by the Name of Dark Choco had immediately Hugged his Other Father and he had Started Crying.

" Papa Pure Vanilla! Father Banished me from the Kingdom for Something that I didn't Mean to do! Why does Father Hate me so Much, Papa Pure Vanilla?! "

Dark Choco had Asked Confused while still Crying as the Cookie that had Short Blonde Hair along with One Golden Eye with One Ocean Blue Eye who was Wearing Dark Red Clothing who Goes by the Name of Pure Vanilla was Shocked at what his Son had just Told him.

Pure Vanilla was so Confused and Angry at the Same Time.

Why did his Enemy do that to his and their Own Son?!

He had Gave Dark Choco to his Enemy because he was Lonely and he had Thought that his Enemy would Take Care of Dark Choco but Apparently, that was the Worst Fucking Mistake that he's ever Made in his Whole Entire Life!

Pure Vanilla had Started to Run his Finger's through Dark Choco's Hair in Order to Soothe him and Calm him Down.

" I don't Know Dark Choco but, I Promise that you'll Never have to See him Again. "

Pure Vanilla had said Calmly and Gently as Dark Choco had just Nodded his Head in Response to what Pure Vanilla had just said.

" Can I Go Home with you Papa? "

Dark Choco had Asked Calmly and Gently as Pure Vanilla had Hummed in Response to Dark Choco's ReQuest to Go Back Home with him.

" Of Course you can SweetHeart. I could Never Say No to you. "

Pure Vanilla had said Calmly and Gently as Dark Choco had just Smiled in Response.

" Thank you, Papa! "

Dark Choco had said Excitedly and CheerFully as Pure Vanilla had Wiped Away his Son's Tear's from his Face with Dark Choco Giggling in Response .

Pure Vanilla had then Picked Dark Choco Off of the Ground and Grabbed his Staff before Using his Staff to Create a Portal as the Both of them had Walked through the Portal with the Portal Closing Behind the Both of them.

Dark Choco had immediately Noticed that he was in his Other Father's Kingdom that was Up in the Sky.

Pure Vanilla had Used his Staff Again to Teleport inside of the Castle and into a BedRoom that had Dark Red , Blue , and Turquoise Color's for Some Odd Reason that Dark Choco didn't Know at All.

Dark Choco had then been Placed Back onto the Floor with him Turning Around to Look at his Other Father along with him having a Confused Look on his Face.

Pure Vanilla had then Grabbed a Warm Blanket from the Closet and Wrapped it Around Dark Choco.

Dark Choco didn't Know that he was Freezing or that Cold until Pure Vanilla had Wrapped the Warm Blanket Around his Small Body.

" You're Freezing, Love. Is there Anything you Need? "

Pure Vanilla had Asked Calmly and Gently as Dark Choco had just Nodded his Head in Response to Pure Vanilla's Question.

" Well, could you Hold me Like you Always do? "

Dark Choco had Asked Calmly and Gently as Pure Vanilla had Hummed in Response along with Nodding his Head to Dark Choco's ReQuest.

" Of Course, Like I've said before, I could Never Say No to you. "

Pure Vanilla had said Calmly and Gently as he had Picked Dark Choco Off of the Ground with Dark Choco Leaning his Head onto Pure Vanilla's Chest.

" Get Some Rest Love, you Need it. "

Pure Vanilla had said Calmly and Gently as Dark Choco had just Hummed in Response with him Closing his Eye's.

Dark Choco had Simply Smiled as Sleep had Consumed him.

But Dark Choco Knew that he would be Safe from Harm No Matter what.

Because his Dad would Make Sure that No One will ever Hurt him at All.

After All, his Dad would Kill them if They Hurt them.

Dark Choco didn't have to Worry about Anything AnyMore.

Custard's Birth

Note: This is a FlashBack Chapter for how the Rest of Custard's Sibling's Reacted to Seeing Custard for the First Time.

No One's P.O.V

It should've been just Like Any Normal Day at the Vanilla Kingdom.

But it wasn't for the Cookie's inside of the Vanilla Castle.

Children could be Seen Waiting OutSide of the Infirmary for Some Odd Reason that NoBody would even Know at All.

These Children weren't Any Normal Children, However.

These Children were Royalty and They were Currently Waiting OutSide of the Infirmary due to the Fact that their Father, the King, was Currently having Another Child.

The Birth was Unexpected due to the Fact that All of them were in then Throne Room when their Father's Water had Broke and he had Grabbed his Stomach in Pain.

Their Father, Pure Vanilla, was immediately Rushed to the Infirmary for the Birth and his Children were Waiting OutSide of the Infirmary.

All of them were Panicking due to the Fact that They were Worried about their Father except that One of them was Calm and One of them was Pacing Around while Panicking .

After All, All of them were Extremely Worried about their Father.

I Mean, who wouldn't be Worried?

" ;ë= =_ :æñį))œ Cookie, Please, Calm Down. "

Sugar Vanilla Cookie had Asked Calmly and Gently as ;ë= =_ :æñį))œ Cookie had Looked at their Older Sister with a Panicked Look on their Face.

" Sugar Vanilla Cookie, how the Hell do you expect me to Calm Down when Our Father is in the Infirmary Giving Birth?! "

;ë= =_ :æñį))œ Cookie had said Panicking as Sugar Vanilla Cookie had Sighed in Response due to the Fact that her Sibling is Correct.

Suddenly, All of them could Hear Crying from inside of the Infirmary Room which had Made All of them Worry about what was Happening.

And after a Few Minute's, the Crying had Finally Stopped for Some Odd Reason that NoBody even Knew at All.

Suddenly, a Nurse had Walked Out of the Infirmary with a Smile on her Face for Some Odd Reason that NoBody even Knew at All.

" Is he Alright?! "

Affogato had Asked Worriedly as the Nurse had just Nodded her Head in Response to Affogato's Question.

" Yes, King Pure Vanilla is Alright. "

The Nurse had said Calmly and Gently as All of them had Let Out a Sigh of Relief before Dark Choco had Spoke Up.

" What about the Baby? "

Dark Choco had Asked Worriedly as Nurse had just Nodded her Head in Response once Again.

" The Baby is Alright. It's a Beautiful Healthy Baby Boy. "

The Nurse had said Calmly and Gently as All of them had just Smiled due to the Fact that their Father and their New Baby

Brother are Both Alright.

" Can we See them? "

Madeleine had Asked Calmly and Gently as the Nurse had Stepped Away from the Infirmary Door in Order to Let All of them Go through the Infirmary Door.

All of them had immediately Walked through the Door Only to See their Father Holding their New Baby Brother in a Blanket (Whatever They Wrap NewBorn's in-) along with their Father Looking at their New Baby Brother with a Smile on his Face which had Shocked All of them.

Pure Vanilla had then Looked at his Children with the Same Smile on his Face.

" He's Beautiful....."

Pure Vanilla had said Calmly and Gently with a Smile on his Face as he had Started Crying which had Shocked All of them .

All of them had immediately Walked Toward's their Father and Looked at their New Baby Brother who had Somehow Managed to Make their Father Smile because of his Birth.

Despite having Very Little Hair, They could Tell that he had their Father's Blonde Hair with a Slight Mix of One of his Enemies Hair.

Their New Baby Brother was Asleep but he Looked so PeaceFul while Asleep.

However, their New Baby Brother Clearly Took More of Pure Vanilla's Genetic's since he Clearly had Pure Vanilla's Face when Asleep.

Suddenly, Chocolate Vanilla Cookie had Spoke Up.

" What's his Name? "

Chocolate Vanilla Cookie had Asked Calmly and Gently as Pure Vanilla had Looked at their New Baby Brother for a Moment

before Speaking once Again.

" Custard, Custard Cookie III. "

Pure Vanilla had said Calmly and Gently with the Same Smile on his Face as he had Placed his Finger onto Custard's Small Hand who had Grabbed his Finger with his Small Hand in Response.

Pure Vanilla had just Giggled in Response at Custard Grabbing his Finger with his Small Hand due to the Fact that Custard Grabbing his Finger with his Small was Very Cute.

Suddenly, Custard had Opened Up his Eye's which had Shocked All of them including Pure Vanilla HimSelf.

Custard had One of their Father's Enemies Golden Eye's and One of their Father's Ocean Blue Eye's.

However, Custard had immediately Closed his Eye's once More which had Made Some of them Start to Giggle at Custard Falling Asleep so Quickly.

" He Really is Beautiful Dad....."

Çœ$$ ÷ ÷ :æñį))œ had said Calmly and Gently with a Smile on their Face as Pure Vanilla had Simply Nodded his Head in Response.

" However, I don't Think that I'll be having Another Child AnyTime Soon. You Little Shit's are Already a HandFul and I don't Want to Deal with Another One so Soon. "

Pure Vanilla had said Calmly and Gently while Snickering as his Children had Looked at him with a Shocked yet Betrayed Look on their Face's .

" Papa?! "

=ë# :ë):ëþ Cookie had said Shocked yet Surprised with him having a Look of Betrayal on his Face as Pure Vanilla had Started Laughing in Response which had Woke Up Custard once More.

Custard had Looked Around and he had immediately Noticed that Most of the Cookie's in the Room had a Look of Betrayal on their Face's while the Cookie who was Holding him which he had Assumed was his Father was just Laughing.

He didn't Know why his Father was Laughing but he had Went along with what his Father was Doing and he had Started Laughing HimSelf which had Made EveryOne Look at him with a Surprised Look on their Face's when he had Started Laughing.

Dark Choco had just Smiled when Looking at Custard due to the Fact that he Look's just Like his Father a Lot.

" He Remind's me of you, Papa....."

Affogato had Spoke Up Calmly and Gently with a Smile on his Face as EveryOne Else had just Nodded their Head's in Response to Show that All of them Agree with Affogato.

" Thank's but Seriously, I'm Not having AnyMore of you. All of you are a HandFul so Custard will be the Last One of you that I'm having. "

Pure Vanilla had said Calmly and Gently with a Smile on his Face while Looking Very Exhausted from Giving Birth to Custard as All of them had just Nodded their Head's in Response .

" Yeah, Definitely. But we'll Definitely Make a Lot of Memories with Custard! "

Affogato had said Excitedly and CheerFully as All of them had just Nodded in Response before Looking Back at Custard who was Now Asleep after Laughing.

" Let's Make these Moment's the Happiest One's ever. "

Pure Vanilla's Reaction To The Twin's

Note: This is a FlashBack Chapter to when Pure Vanilla had Suddenly Woke Up with Sugar Vanilla Cookie and Chocolate Vanilla Cookie in his Arm's along with how he had Reacted to Sugar Vanilla Cookie .

No One's P.O.V

It should've been just Like Any Normal Day in the Vanilla Kingdom for EveryOne.

The Weather was Nice, Flower's were Blooming, and even Some of the Animal's were Singing.

However, it wasn't Going to be a Normal Day at All for the Vanilla Kingdom.

Because Today will Change Everything for the Vanilla Kingdom.

But Mainly, Everything would Change for Pure Vanilla who is the Ruler of the Vanilla Kingdom.

Pure Vanilla would Change Quite a Bit after Today which would Change Thing's for the Entirety of the Vanilla Kingdom.

Pure Vanilla had Short Blonde Hair along with One Golden Eye with One Ocean Blue Eye except that he was Wearing Dark Red Clothing.

It was a Beautiful Morning for the Vanilla Kingdom.

Pure Vanilla had Felt HimSelf Waking Up and Opened Up his Eye's Only for him to See the Ceiling of his BedRoom.

However, he had immediately Noticed that he had Felt Something Heavy in his Arm's that wasn't there at All Last Night.

He had Looked at his Arm's Only to See a NewBorn Cookie Sleeping in his Arm's for Some Odd Reason that he didn't Know at All .

He had Sat Up Quickly and almost Jumped Off of the Bed but Made Sure to Hold the NewBorn Cookie Close to him.

The NewBorn Cookie had Woken Up and immediately Looked Up at Pure Vanilla who had Looked Back.

Pure Vanilla could Easily Tell that this NewBorn Cookie was a Girl .

But Something wasn't Right about this NewBorn Cookie at All.

She had his Heterochromia Eye's but she had his Enemies Hair for Some Odd Reason that he didn't Know at All.

As Much as he Hated Anything about his Enemies and immediately Got Rid of Anything that Remind's him of Enemies, he didn't Feel Any Hatred Toward's this NewBorn Cookie who Clearly had Dark Cacao's Hair.

Instead, he Felt as if this NewBorn Cookie was his Own Child for Some Odd Reason that he didn't Know at All.

Pure Vanilla could Feel the Need to Protect this NewBorn Cookie at All Cost's, to Give her Love and Care along with Wanting to Make Sure that she doesn't Suffer Like he did.

Pure Vanilla had Felt a Smile Forming on his Face while Looking at the NewBorn Cookie in his Arm's .

He Already Knew that he was Going to Make Sure that his Daughter would Live a Good Life No Matter what so that she wouldn't Suffer Like he did at All .

He would Make Sure of it No Matter what .

Suddenly, he could Feel Something Latch onto his Left Leg for Some Odd Reason that he didn't Know at All.

Pure Vanilla had immediately Looked Down at his Left Leg Only to See Another NewBorn Cookie Holding onto his Left Leg.

The NewBorn Cookie was also a Girl just Like the First One.

However, the NewBorn Cookie had his Blonde Hair with a Small Mix of One of his Enemies Hair along with One of his Enemies Purple Eye with One Ocean Blue Eye.

Pure Vanilla had then Picked Up the NewBorn Cookie that had his Blonde Hair with a Small Mix of One of his Enemies Hair along with One Purple Eye with One Ocean Blue Eye.

He had Stared at Both of the NewBorn Cookie's as the Both of them had Stared Back at him .

" Siren Vanilla Cookie! "

Pure Vanilla had said Coldly and Harshly as a Cookie had immediately Opened the Door before Getting on their Knee's.

The Cookie had Long Blue Hair along with Golden Eye's who Goes by the Name of Siren Vanilla Cookie had Spoke Up.

" What do you Need your Majesty? "

Siren had said Calmly and Gently as Pure Vanilla had Spoke Up once More.

" I Want you to Prepare a Room for these Two, Make Sure it has Everything a Baby Need's. "

Pure Vanilla had said Coldly and Harshly while Referring to the Children in his Arm's as Siren's Eye's had Widen in Shock at the Sight of the Two Children in his Arm's but she didn't Say Anything at All before Leaving the Room.

Pure Vanilla had then Looked Back at his Children with a Smile on his Face who didn't Seem Affected by what had Happened and

Simply Smiled Back at him.

" I Know what I'll Name you Both. "

Pure Vanilla had said Calmly and Gently as his Children had Perked Up in Response to the Mention of Pure Vanilla Knowing what to Name the Both of them.

" Your Name will be Sugar Vanilla Cookie. "

Pure Vanilla had said Calmly and Gently as he had Looked at the First NewBorn Cookie that has One of his Enemies Hair along with his Heterochromia Eye's who Now Goes by the Name of Sugar Vanilla Cookie with Sugar Vanilla Cookie Laughing in Response in Order to Show Pure Vanilla that she Loved the Name.

" And you will be Chocolate Vanilla Cookie. "

Pure Vanilla had said Calmly and Gently as he had Looked at the Other NewBorn Cookie that had his Blonde Hair with a Slight Mix of One of his Enemies Hair along with One of his Enemies Eye's with One of his Ocean Blue Eye who Now Goes by the Name of Chocolate Vanilla Cookie except that she had Simply Smiled in Response to Show Pure Vanilla that she Loved the Name.

" I'll Make Sure that Neither of you Suffer Like I did, I Promise. "

Pure Vanilla had said Calmly and Gently as he had Held his Two Children Close to him with a Gentle Smile on his Face .

Siren had then Appeared once More and she had immediately Gotten Down on her Knee's.

" Your Majesty, the Nursery has been Prepared for the Young One's. "

Siren had said Calmly and Gently as Pure Vanilla had Nodded his Head in Response.

" Very Well, Take me to the Nursery at once. "

Pure Vanilla had said Coldly and Harshly as Siren had Stood Up

before Leading Pure Vanilla Out of his BedRoom along with the Both of them Heading Toward's the Nursery .

When the Both of them had Entered the Nursery, Pure Vanilla had Taken a Look Around.

The Room was Painted in Dark Red, Blue, and Turquoise Color's along with Two Crib's for the Both of his NewBorn Children.

One Crib was in a Violet Color while the Other Crib was in a Light Blue .

He had immediately Placed his Children into the Crib's due to the Fact that his Arm's were in Pain from Holding his Children for so Long .

" Your Majesty, if I May Ask, where did those Children Come from? And why does One of them have his Hair? "

Siren had Asked Calmly and Gently as Pure Vanilla had Only Sighed in Response to the Question.

" Honestly, I don't Know. I just Woke Up and One was in My Arm's while the Other was on the Floor. The Thing is, I haven't Done Anything with AnyOne in Order to have these Two. Why she has his Hair? I do Not Know MySelf? But No Matter what she Look's Like, I'll Take Care of her. "

Pure Vanilla had said Calmly and Gently as Siren had just Kept a Calm Expression on her Face before Pure Vanilla had Turned Around to Face her with his Face Darkening.

" However, I Want you to Tell EveryOne in the Castle about this. Make Sure to Tell them to Treat these Two with Respect if They Know what's Good for them. "

Pure Vanilla had said Coldly and Harshly as Siren had immediately Nodded in Response before Leaving the Nursery to Tell EveryOne about the New Addition's to the Vanilla Kingdom.

Pure Vanilla had then Looked Back at his Children who were Now Asleep as a Smile had Formed on his Face once More.

" I Promise, No One will Harm you. "

Pure Vanilla had said Calmly and Gently as he had Turned Around before Walking Out of the Nursery while Making Sure to Close the Door Behind him.

No One's P.O.V

A Cookie that had Short Black Hair along with White Eye's with Black Slit's in them despite Half of their Face Being Covered, was Currently Working on a Project of their's.

They've been Working on said Project for Quite Some Time Now.

Of Course, They haven't Gotten Any Sleep because of the Project at All.

Their Older Sister has been Trying to Get them to Sleep but, she hasn't been Able to Get her Younger Brother to Fall Asleep.

Her Younger Brother had Stopped Sleeping a Lot and would Stay Up a Lot ever since their even Younger Brother who Goes by the Name of Affogato had Ran Away from Home after her Younger Brother had Hit him when the Both of them were Arguing with One Another.

She Really did Miss her even Younger Brother Dearly but she Knew that she couldn't Change the Past.

However, she did Wish that she had Stopped her Younger Brother from Hitting their even Younger Brother.

Their even Younger Brother was Only 5 or 6 Year's Old when he had Ran Away from Home.

But They don't Blame Affogato for Running Away from Home at All.

Because the Both of them would've Done the Same of They were in his Place.

The Both of them were Not the Same at All after Affogato had Ran Away from Home when he was Only 5 or 6 Year's Old since They were Never Able to Find him at All.

The Both of them were Currently Living in the Dark Cacao Kingdom due to the Fact that Dark Cacao had Managed to Save the Both of them from their Parent's.

The Girl who had Long White Hair with a Mix of Brunette Hair along with Brown Eye's who Goes by the Name of Latte and her Brother, Espresso, were ThankFul Toward's Dark Cacao for Saving the Both of them when They were Children.

But, the Both of them had Changed a Lot since the Day that Affogato had Ran Away from Home due to the Fact that the Both of them Barely Talk to EachOther AnyMore.

Latte and Espresso had Already Told Dark Cacao about Affogato along with what had Happened to him.

Dark Cacao had Comforted the Both of them and he had Promised the Both of them that he would Find their Younger Brother.

Suddenly, a Bird had Flew through the Window and Landed on Espresso's Desk for Some Odd Reason that he didn't Know at All.

Espresso had then Looked at the Bird with a Confused Look on his Face.

" Aikaho? What is it? "

Espresso had said Calmly and Gently as Aikaho had Chripped in Response with Espresso's Eye's Widening at what Aikaho had just Told him.

" Affogato's Alive?! "

Espresso had said Surprised yet Shocked as Aikaho had Chripped in Response before Espresso had immediately Stood Up and Ran Out of the Room to Talk to Latte who was in her BedRoom.

" Latte! "

Espresso had said Excitedly and CheerFully as Latte had Looked at him with a Confused Look on her Face due to the Fact that she hasn't Seen her Brother so Excited in a Long Time.

" Yes, Espresso? "

Latte had said Calmly and Gently as Espresso had Started Crying Out of Happiness which had Shocked Latte due to the Fact that she hasn't Seen her Brother Cry in so Long.

" He's Alive, Latte! Affogato's Alive! "

Espresso had said Excitedly and CheerFully as Latte's Eye's had Widen in Shock.

" What?! "

Latte had said Surprised yet Shocked as she had immediately Got Off of her Bed.

" Where is he?! "

Latte had said Worriedly as Espresso had Spoke Up.

" He's at the HollyBerry Kingdom, he Arrived there with Another Person. "

Espresso had said Excitedly and CheerFully as Latte had Grabbed his Wrist before Leaving the House in Order to Find a Carriage that would Lead the Both of them to the HollyBerry Kingdom.

———————

Dark Cacao had Watched as his Bird Aikaho, Flew Away from the Window in Order to Send a Message to Latte and Espresso about their Brother, Affogato, Being Alive.

He had Found Latte and Espresso Running Away from their Father who was Drunk and he had Manage to Save the Both of them from their Father.

The Both of them had Told Dark Cacao Everything about them.

How their Father was Both Physically and Mentally Abusive, how their Mother Neglected them, and how their Younger Brother who Goes by the Name of Affogato had Ran Away from Home when he

was just 5 Year's Old.

At First, Dark Cacao didn't Recognize Affogato at All.

But then, he had Remembered what Latte and Espresso had Told him about their Younger Brother who Goes by the Name of Affogato.

Affogato had Brunette Hair Fading to a Snowy White Color HalfWay along with White Eye's with Black Slit's in them.

Apparently, Espresso had Hit Affogato when They were Younger and Affogato had Ran Away from them Out of Fear but They were Never Able to Find him at All.

That's why Dark Cacao had Decided to Go and Tell the Both of them about Affogato

However, it would Take a Few Day's for him to Reach his Kingdom and Tell the Both of them about Affogato Being Alive and that he was Currently Staying at the HollyBerry Kingdom.

So, Dark Cacao had Asked One of his Bird's who Goes by the Name of Aikaho to Deliver the Message to the Sibling's about Affogato Being Alive and that he was Currently Staying at the HollyBerry Kingdom.

Now that he Think's about it, he Might Know where Affogato had Ran Away to or where he had Disappeared to after Running Away from Latte and Espresso.

If the Vanilla Kingdom still Exist's along with the Fact that Affogato had Mentioned to All of them that him, Madeleine, and Custard Live in the Vanilla Kingdom then it could Only Mean One Thing.

Somehow, Affogato had Managed to Find a Way to Go into the Sky, Get Past the Spell that Pure Vanilla Used to Hide the Kingdom, Got Adopted by Madeleine along with Custard's Father, and Lived in the Vanilla Kingdom for a Very Long Time until Now when he had Arrived at the HollyBerry Kingdom with Madeleine to Visit Custard who All of them had Found at the Abandoned Academy.

But why did Affogato Reveal HimSelf Now of All Time's?

Dark Cacao could See that Affogato was a Lot More Happier with Madeleine and Custard than he had Felt when he was with Latte along with Espresso.

Latte and Espresso did Mention that Affogato would Try to Stay Out of the House as Much as Possible in Order to Avoid their Father's Abuse.

Affogato was Afraid of their Father and Feared their Father a Lot.

Maybe that's why Affogato had Ran Away from Latte and Espresso?

There's a Chance that when Espresso had Hit him, Affogato could See their Father in Espresso and he Might've Thought that Espresso was Starting to Become Like their Father.

It Make's Sense to why Affogato had Ran Away from Latte and Espresso because he Thought that Espresso was Starting to Act Like their Father and he had Became Afraid of Espresso.

Latte had also Told Dark Cacao that she had Accidentally Neglected Affogato just Like their Mother had Done to All of them because she was Stressed from Everything that had Happened in their Live's.

Latte Neglecting Affogato would've also Made Affogato Afraid of her because she was Starting to Act just Like their Mother in One Way or Another.

Dark Cacao had Wondered how Long it would Take for Aikaho to Inform Latte and Espresso about him Being Alive along with him Staying at the HollyBerry and how Long it would Take for the Both of them to Arrive at the HollyBerry Kingdom.

For Now, he would just Relax and Wait for the Sibling's Arrival.

Reunion Between The Sibling's

No One's P.O.V

Latte along with Espresso had Managed to Find a Carriage that would Bring the Both of them to the HollyBerry Kingdom.

The Both of them were Very Happy to Know that their Younger Brother, Affogato, was Alive and that he was Doing Alright after he had Ran Away from Home.

It's been a Very Long Time since They've Seen Affogato so the Both of them were Wondering how Much Affogato has Changed Over the Year's that he's been Missing for.

The Both of them were Currently on the Way to HollyBerry Kingdom in Order to Reunite with Affogato and have a Sibling Reunion with him after a Very Long Time of him Being Missing.

Would Affogato be Happy to See them Again?

Or would he be Mad after what They've Done to him?

They Honestly didn't Know.

But the Both of then were just Happy to Know that Affogato's Alive.

Even if he Might Not be Happy to See either of them after what They've Done to him All those Year's Ago.

" We have Arrived at the HollyBerry Kingdom. "

The Carriage Driver had said to the Both of them Calmly and Gently as the Both of them had just Nodded in Response before Getting Out of the Carriage along with the Both of them Going inside of HollyBerry Kingdom.

Latte and Espresso had immediately Rushed to the HollyBerry Castle which the Guard's had Allowed the Both of them in due to

the Fact that Dark Cacao had Told them to Let the Both of them in.

Latte and Espresso were Extremely ThankFul and Ran to the Room that Affogato was said to be in at the Current Moment.

When the Both of them had Opened Up the Door to the Meeting Room, Everything had Gone Quiet immediately.

Affogato had just Stared at Latte and Espresso with his Eye's Widening from Shock while EveryOne Else was just Quiet because All of them had Already Knew what Happened Between the Three of them.

Most of them had Left except for a Cookie that had Long Blonde Hair along with Ocean Blue Eye's and a Small Cookie that had Blonde Hair along with Ocean Blue Eye's.

Affogato had then Sighed as he had Looked at the Two Cookie's.

" Madeleine. Custard. Could you Please Leave the Room? "

Affogato had Asked Calmly and Gently as the Two Cookie's who Go by the Name's of Madeleine along with Custard had just Simply Nodded their Head's in Response before Leaving the Meeting Room which Left the Three of them Alone in the Meeting Room.

" Why are you Two here? "

Affogato had said Coldly and Harshly as Latte along with Espresso had Flinched at Affogato's Tone.

" Dark Cacao Sent his Bird to Tell us that you were Alive and that you were Currently at the HollyBerry Kingdom. "

Latte had said Calmly and Gently as Affogato had just Sighed in Response while Rolling his Eye's.

" Of Course, it just had to be him. "

Affogato had said Coldly and Harshly as his Fist's Clenched in Anger.

" Affogato, I- "

Espresso had said Calmly and Gently as Affogato had Suddenly Interrupted Hum.

" I Already Know what you're Going to Say. "

Affogato had said Calmly and Gently as Latte along with Espresso were Shocked that Affogato Already Knew that They were Going to Apologize to him.

" I shouldn't have Ran Away that Day, it was Pretty Stupid of me. I was just Shocked and Upset that you Hit me Espresso. "

Affogato had said Calmly and Gently as he had Looked Down with an Upset Look on his Face.

" It Reminded me of Our.....Ex-Father. "

Affogato had said Coldly and Harshly as Latte including Espresso had Tensed Up at the Word of their Father due to the Fact that None of them Wanted to have Anything to do with their Father.

" Latte....."

Affogato had said Calmly and Gently as Latte had Perked Up when her Little Brother had Mentioned her Name.

" Y-Yes? "

Latte had said Anxiously and Worriedly as she didn't Know what Affogato was Going to Say about her.

" The Reason why I was Scared of you in the First Place was because you Neglecting me 24/7 had Reminded me of Our Mother. I Thought that you were Starting to Become Like her just Like how I Thought that Espresso was Starting to Become Like Our Father. "

Affogato had said Calmly and Gently as Latte along with Espresso had Internally Winced when Affogato had Brought Up their Mother who had Never Cared about them at All then, Latte had Spoke Up once More.

" Then, do you Forgive Espresso and I for what we've Done to you? "

Latte had said Calmly and Gently as Affogato had just Sighed in Response before Looking at his Former Sibling's with a Smile Forming on his Face.

" You Idiot's, I've Forgiven the Both of you a Long Time Ago! "

Affogato had said Excitedly and CheerFully as Latte along with Espresso had Started to Tear Up before Hugging their Younger Brother.

" Thank you! "

Espresso had said Excitedly and CheerFully as Affogato had just Simply Chuckled in Response.

" All of us Know that I could Never Hate the Two of you! "

Affogato had said Excitedly and CheerFully as he had Pulled Away from the Hug.

" So, you've been in the Vanilla Kingdom the Whole Time? "

Latte had said Calmly and Gently with a Hint of Confusion as Affogato had just Simply Chuckled in Response.

" Yep! "

Affogato had said Excitedly and CheerFully as Espresso had just Simply Raised an EyeBrow in Response.

" But how?! The Vanilla Kingdom doesn't even Exist AnyMore! "

Espresso had said Shocked yet Surprised as Affogato had just Simply Shook his Head in Response.

" The Vanilla Kingdom still Exist's, the Kingdom is just Hidden Away. "

Affogato had said Calmly and Gently as Latte had just Simply Smiled in Response.

" Were you Treated Right in the Vanilla Kingdom? "

Latte had Asked Calmly and Gently with a Hint of Confusion as Affogato had just Simply Nodded his Head in Response.

" Yep! The People of the Vanilla Kingdom are Very Kind! "

Affogato had said Excitedly and CheerFully as Espresso had just Simply Chuckled in Response.

" Well, as Long as you're Happy. "

Espresso had said Calmly and Gently with a Smile on his Face as Latte had just Simply Nodded her Head in Response

" We can Discuss More about this Later. For Now, Let's Explain Everything to the Other's. "

Affogato had said Calmly and Gently as Espresso had just Simply Nodded his Head in Response.

The Three Sibling's that have been Separated for Year's had then Left the Meeting Room with a Smile on their Face's.

See you in the Next Chapter!

A Remake

I've been Thinking about this for a Long Time Now

And I've Finally Made My Decision

This Book will be Discontinued

But that doesn't Mean the Story is Over

Infact, I'll be Remaking this Book!

Why am I Remaking this Book?

First of All, I Barely Update on this Book AnyMore

In Other Word's, I've Lost Motivation

Second, this Book just Make's me Cringe-

I Mean, the Whole Story is Being Rushed and Not a Lot of Character Development!

Alongside the Fact that there's Not a Lot of Character BackStory or the BackStory is just to Bland-

Now that I Look Back on this Book, it Make's me Cringe-

Third, the Way I Wrote this Book was so Bad-

Even though I'm Happy that People Enjoyed this Book, I'm Not Happy with how the Book Turned Out

Now, what will be Different in the Remake?

1. The Reasoning as to why the FriendShip Between Pure Vanilla and the Other Ancient's is Destroyed

Let's be Honest, it was Stupid-

I Feel Like I could've Done Something a Lot Different on that Part

Maybe it should be Pure Vanilla Doing Something Wrong on Accident and Causes the Ancient's to Get Mad at him?

Or Maybe the Ancient's Hurt Pure Vanilla and it's Destroy's their FriendShip with One Another?

To be Honest, I could do Better on that Part-

2. Why Custard Want's to Leave the Vanillan Kingdom

Once Again, I could've Make a Better Reason as to why Custard Want's to Leave the Kingdom

As to what I Might do with this Part, I can't Say

3. How Custard Manage's to Leave the Vanillan Kingdom

Like before, this Part could've Played Out Differently and a Lot Better-

It's CringeWorthy-

4. How the StoryLine Play's Out after Custard Leave's the Vanillan Kingdom

Could've Done Better and it could've Played Out Better

5. How Long the Chapter's should be

I Want the Chapter's to be Longer than They were in this Book-

Why?

Well, the Book would be More Longer than it Currently is-

Not Only that, I could Give you Reader's a Lot More BackStory alongside More to Look Foward to and Use this Chance to have More Character Development along with Side Stories-

Side Stories would be Like the Side Quest's in a Game-

6. The Character's RelationShip's with One Another

Technically, Each Character will have Different Opinion's on how They Feel about SomeOne

Unlike in the Original where I Never Put Anything that could Really Say how a Character Feel's about Another Character-

There are Some Other Thing's that I Want to Put but I'll Wait until Another Time

Also, about the Reincarnating into Cookie Run Kingdom-

These are the Character's that have been Asked to be Reincarnated as or ReQuested to be Reincarnated as

1. Pure Vanilla ***(5 Vote's)***

2. Affogato ***(4 Vote's)***

3. Custard Cookie III ***(2 Vote's)***

4. A Witch's Child ***(1 Vote)***

5. White Lily ***(1 Vote)***

6. Sea Fairy or MoonLight Cookie ***(1 Vote)***

Like before, you can Choose who you Want to Reincarnated as

Or you can ReQuest a Reincarnation if you Want!

Yeah, that's All I have to Say-

Well, See you in the Remake!
